Three wins in a row lifts Rob Warner to second spot with one round to go. If Tom Plant scores in all seven rounds he will have to drop his worst score. It all hinges on the final round at Bayford Woods. Both young Daniel Greeves and "veteran" Chris Koch are in hot pursuit and any slip by the top two may let them in !

Please, please enter early for the NEL round at Bayford to save the sec; lots of extra work on the day !

7 rounds 6 to count.
