Paul Hadingham moves ahead of Jon Probitts after a win at a very wet and muddy Bunkers quarry. Only five points separate the top two going into the last round at NEL's Bayford Woods. If Jon scores in all seven rounds he will have to drop his worst score, but Paul has missed a round so his final total will count. Marcus Jaggard might regret missing the Oxford Ixion round as he has ridden well all season but has slipped back to third after a good win at HUX.

Please enter early for the NEL round to save the sec; time and work at the start !
